

PRESTO® DOROTHY™ RAPID COLD BREWER

Rapid cold brew technology spins coffee grounds in cold water for quick flavor extraction.

- Make your favorite cold brew coffee at home in just 15 minutes. No more waiting 12 to 24 hours!
- “Tornado” spins coffee grounds through water to make cold brew fast.
- Smooth, flavorful cold brew coffee. No bitterness because the coffee grounds are never exposed to high temperatures.

- **Easy to use.** Simply fill carafe with water, set the “tornado” speed, and pour in your favorite ground coffee. Spinning water rapidly circulates coffee grounds for complete flavor extraction in just 15 minutes.
- **Glass carafe.** Makes 22 ounces of coffee per batch.
- **Grounds removal cup** attaches to the filter for easy removal of grounds from carafe.
- **Power base** with detachable cord for easy storage.
- **Easy to clean.** Carafe, plunger with filter, and grounds cup are dishwasher safe.

Speed control dial adjusts the speed of the whirlpool.

Plunger with filter. Press down to move coffee grounds into the removal cup after brewing.

120 volts AC
