Indoor Electric Smoker

Smoke meats, fish, seafood, vegetables, eggs, cheese and more
right on your kitchen counter!

Plus, it doubles as a slow cooker.

Infuse foods with authentic smokehouse flavor using your favorite smoker wood chips.

Digital touchpad lets you select cold smoke, hot smoke, or a combination of both, as well as modes for slow cooking and keep warm.

- Charring cup with cover holds wood chips.
- Special tempered glass cover with seal-tight gasket to minimize odor.
- Three-tiered rack with handles for extra capacity. Rack handles fold down for compact storage.
- Digital display timer counts down the remaining smoking/cooking time.
- Alarm signals when cooking time is up and smoker/ slow cooker automatically switches to keep warm.
- Nonstick pot is dishwasher safe.
- Black stainless steel exterior.

Indoor Electric Smoker and slow cooker

120 volts AC, 500 watts

Stock No. 06013

Fish and seafood

Poultry, meats, and vegetables

Cheese, pizza, eggs and more

Get authentic smokehouse
flavor indoors!

Nonstick pot
enables the smoker to
double as a slow cooker.

Cook and go!

► Rugged, wide-profile “cooler-style” slow cooker

Slow cook foods and take them on the road with confidence in the Nomad® traveling slow cooker. Swing-up handle and locking lid make carrying easy and provide spill-proof transportation. Nomad® slow cookers feature cool-touch housing and a hinged, removable cover with see-through window.

- Ideal for buffet-style foods at home or away—pulled pork, chicken wings, sloppy joes, hot beef and more. Make soups, stews, casseroles, chicken, and roasts.
- Detachable utensil holder with silicone cord secures a utensil* during transport and doubles as a spoon rest when serving.
- Slow-cook settings for high, low, and keep warm.
- Removable nonstick cooking pot is fully immersible for easy cleaning.
- Built-in cord storage.

A delightfully different kind of waffle bowl—thick, fluffy, and tender because it's a real waffle. The Belgian waffle bowl maker bakes a perfect 4-inch waffle bowl. Add butter and syrup, or make

elaborate breakfasts by filling with eggs, sausage, and hash browns. Great with fresh fruit, yogurt, and ice cream. For something different, fill with fried chicken for a delicious hand-held waffle taco.

- Nonstick grids assure easy removal and quick cleanup.
- Pour in batter, close cover, and bake.
- No special batter needed. Use store-bought waffle mixes or make your own; recipes included.

Belgian Waffle Bowl Maker

120 volts AC, 750 watts

Stock No. 03500

This FlipSide® Belgian Waffle Maker features a professional-style rotating design that flips 180° to evenly spread batter for extra-thick waffles that are crispy outside and tender inside.

- Makes a 7-inch diameter Belgian waffle with four easy-to-cut sections.
- Dual-function base provides convenient rotation and locks in a vertical position for compact storage.
- Ceramic nonstick grid easily wipes clean.
- Brushed stainless steel exterior.

Stove-top Pressure Cookers

High-speed pressure cooking saves time, energy and money! Cook healthy, flavorful meals 3 to 10 times faster than ordinary cooking methods. Pressure cooking preserves colors, flavors, and nutrients. Chicken, fish, vegetables, even desserts cook to perfection fast. Quickly tenderizes leaner cuts of meat. Fully immersible and dishwasher safe. Available in aluminum and stainless steel models. Extended 12-year warranty.

- Pressure regulator automatically maintains the proper cooking pressure.
- Cover lock indicator shows at a glance if there is pressure inside the cooker and prevents cover from opening until pressure is safely reduced.
- Cooking rack allows several foods to cook at once.
- Helper handle (*not available on 01241*).
- Easy-to-follow instruction and recipe book.

Presto® Aluminum Pressure Cookers

Strong, heavy-gauge aluminum provides quick, even heating. Works on gas, electric, and smooth-top ranges. Available in 4-, 6-, and 8-quart sizes.

Presto® Stainless Steel Pressure Cookers

Stainless steel pressure cookers feature a special tri-clad base consisting of a layer of aluminum between two layers of stainless steel that ensures fast, even heat distribution. These stainless models work on electric, smooth-top, gas, and induction ranges.

This **distinctively designed** 6-quart pressure cooker is made of luxurious stainless steel with a tri-clad base for quick, even heating. The tri-clad base features a layer of aluminum between two layers of stainless steel. Independent pressure release devices prevent excess buildup in the cooker and a cover lock keeps the cooker from being opened until pressure is safely reduced. Extended 12-year warranty.

- The proper cooking pressure is maintained with an easy-to-use pressure regulator.
- Stainless steel rack allows several foods to cook at once.
- Menu guide on cover handle.
- Ergonomic handles; helper handle.
- Works on electric, smooth-top, gas, and induction ranges.
- Easy-to-follow instruction and recipe book.

6-quart Stainless Steel Pressure Cooker

Liquid Capacity: 6 quarts (5.7 liters)

Stock No. 01365

Programmable Electric Pressure Cookers

PRESSURE COOKER AND SLOW COOKER IN ONE!

Both models feature 19 programmed settings including 12 pressure cooking presets. Cook meat, fish, chicken, vegetables, beans, rice, grains, even desserts. Use function settings for high pressure, low pressure, slow cook, brown, sauté, and keep warm. Just set and the rest is automatic!

Includes cooking rack and instruction/recipe book.
Removable nonstick pot is dishwasher safe.

Presto Precision™ 6-quart Multi-use Programmable Pressure Cooker Plus
Liquid Capacity: 6 quarts (5.7 liters)
120 volts AC, 1005 watts
Stock No. 02142

► **Presto Precision™** multi-function Pressure Cooker Plus offers innovative technology that senses the actual temperature inside the pot for precise cooking. No altitude adjustments are needed. Maintains the proper temperature then reduces the pressure and switches to keep warm when cooking time is complete. Black stainless steel exterior.

- Large digital display and control knob. Simply scroll through the options as displayed on the LED screen.
- Quick pressure release valve.
- Nine built-in safety features including a cover lock system.

Temperature Sensor

► **Presto®** Electric Pressure Cooker Plus maintains the proper pressure automatically then switches to keep warm at end of cooking time. Brushed stainless steel exterior.

- Digital controls with an LED display count down the remaining cooking time.
- Quick pressure release valve.
- Eight built-in safety features including a cover lock system.

6-quart Programmable Electric Pressure Cooker Plus
Liquid Capacity: 6 quarts (5.7 liters)

Liquid Capacity: 8 quarts (7.6 liters)
Stock No. 01370

PRESTO® microwave products

Great for ramen noodles, mac and cheese, soup, bacon, and popcorn!

This versatile microwave multi-cooker is designed to cook a block of ramen noodles—then the bowl can be collapsed for easy serving. It also cooks up to 10 strips of crisp, delicious bacon on an easy-to-load removable rack. Plus, it pops up to 3 quarts of popcorn, with or without oil, and serves in the same bowl.

- Silicone bowl collapses for convenient serving and storage.
- Bacon rack and chopsticks store neatly inside bowl.
- Works in microwave ovens with cavity sizes over 7¼" H x 12" W.
- Lid prevents spatters in microwave and doubles as a handy strainer.
- Bowl and cover are dishwasher safe.

Collapsible Silicone Microwave Multi-cooker
Stock No. 04835

► Make crisp, delicious bacon in your microwave ◀

Cooks leaner and healthier than pan-fried because fat drips away from bacon and into the tray. Makes up to 12 strips of bacon, crisp or tender, with no messy spatters on counter or stovetop.

- Bacon cooker is fully immersible and dishwasher safe.
- Removable cooking racks stack in tray for compact storage.

PowerCrisp™ microwave bacon cooker
Stock No. 05101

This microwave popper uses a PowerCup® concentrator to focus microwave energy so virtually every kernel pops. Pop with or without oil for popcorn the way you like it. It pops fast too—up to 3 quarts in as little as 2½ minutes.

- Concentrator can be used for multiple batches; one is included.
- Works in microwave ovens with cavity sizes as small as 6½" H x 10" W.
- Popping bowl and lid are dishwasher safe.

PowerPop® microwave popper
Stock No. 04834

Orville Redenbacher's* PowerPop® microwave multi-popper by Presto features special PowerBase™ and PowerCup® concentrators that combine to focus microwave energy so effectively that virtually every kernel pops. Pop with or without oil for popcorn the way you like it! It pops up to 3 quarts of delicious popcorn in as little as 2½ minutes.

- PowerCup® concentrator can be used for multiple batches; a supply is included.
- Works in microwave ovens with cavity sizes over 6½" H x 10" W.
- Bowl and lid are fully immersible and dishwasher safe. Base wipes clean.

Orville Redenbacher's* PowerPop® microwave multi-popper by Presto
Stock No. 04830

Genuine PowerCup® microwave concentrators
8-pack
Stock No. 09964

This 6-quart capacity popper makes enough popcorn for the entire family. The **motorized, scalloped stirring arm** distributes kernels evenly resulting in virtually no unpopped kernels. Built-in melter distributes butter over corn as it pops.

- Multi-point cover venting assures crispy popcorn.
- Butter melter lid snaps over vents allowing cover to double as a handy serving bowl.
- Nonstick popping surface cleans easily.
- Base nests inside cover for compact storage.

Orville Redenbacher's® Stirring Popper by Presto
120 volts AC, 900 watts
Stock No. 05204

This special popper **pops like a fountain**, flowing popcorn into the cover as it pops. It uses hot air, not oil, for popping a delicious low-fat treat. Makes up to 20 cups in about 3½ minutes with virtually no unpopped kernels. Uses regular popcorn for a savings of up to 70% over microwave bags.

- Stainless steel restrictors help to optimize popping performance.
- Vented cover assures crispy popcorn.
- Lid snaps over vents allowing cover to double as a serving bowl.
- Base and cover simply wipe clean.
- Base nests inside cover for compact storage.

Orville Redenbacher's® Fountain® Hot Air Popper by Presto
120 volts AC, 1275 watts
Stock No. 04868

► Health-mindful choice ◀

Presto® hot air poppers offer superb popping performance with virtually no unpopped kernels. They pop with hot air, not oil, for a delicious, low-fat treat using regular or gourmet popcorn. Pop up to 18 cups in less than 2½ minutes. That's faster, healthier, and more economical than most microwave bag popcorn.

- Chute directs popcorn into your bowl.
- Measuring scoop doubles as a handy butter melter.
- Hot air popped popcorn is all natural with no artificial flavors or added salt and zero grams of saturated fat per serving.
- Base and cover simply wipe clean.
- Built-in cord wrap for convenient storage.

► Quality canners you can trust ◀

Doubles as a boiling water canner too!

Presto® Canners come with a **12-Year Warranty**, readily available **Replacement Parts**, and a knowledgeable **Customer Service Department!**

Presto® Pressure Canners and Pressure Cookers are designed to last for many years of use. Genuine Presto® replacement parts are in continuous demand because they assure exact fit and long-lasting quality. Most popular parts are available in attractive cartons, perfect for shelf or pegboard display.

Presto® Pressure Canner and Cooker Replacement Parts

16-quart Pressure Canner

* Pints and half-pints only for boiling water method.

Liquid capacity: 16 quarts (15.1 liters)
Stock No. 01755

01755

Stock your pantry with home-canned vegetables, fruits, meat, and seafood harvested at the peak of the season!

Pressure canning is the only safe method recommended by the USDA for canning low-acid foods such as vegetables, meats, poultry, and fish. Presto® Pressure Canners double as boiling water canners* for preserving fruits, jams, jellies, pickles, and salsa. The air vent/cover lock allows pressure to build only when the cover is closed properly and prevents the cover from opening until pressure is safely reduced.

- Pressure dial gauge registers a complete range of processing pressures, which is especially important in high altitude areas.
- Durable heavy-gauge aluminum for long life and fast, even heating. Can be used on electric, smooth-top, and gas ranges.
- Cooking/canning rack.
- Complete 80-page instruction/recipe book for canning and large capacity pressure cooking.
- Extended 12-year limited warranty.

Efficient oil-to-food ratio

This versatile DualDaddy® deep fryer features a divider that fries two foods at once. Remove the divider and the fryer's oval shape will easily accommodate extra-large batches or large pieces of chicken or fish. Huge frying capacity allows it to quickly fry up to 8 servings of french fries.

- Preset thermostat maintains ideal frying temperature.
- Nonstick surface, inside and out.
- Handy scoop lifts, drains, separates, and serves.
- Snap-on lid allows oil to be stored in the fryer.

DualDaddy® electric deep fryer

Oil capacity: 1.9 liters (2 quarts)
120 volts AC, 1500 watts

Stock No. 05450

Fry two foods at once or extra-large batches. An 1800-watt immersion element assures quick preheating and fast oil temperature recovery. Big 12-cup food capacity and oblong-shaped baskets let you fry family-size quantities or large pieces of chicken or fish. Stainless steel body housing.

- Adjustable thermostat.
- Spatter-shield cover helps to reduce spattering.
- Removable heating element and enameled pot provide easy cleaning.
- Baskets and heating element nest inside pot for compact storage.

Indoor Rotisserie Turkey Fryer

Cooks a moist, flavorful turkey in about 60 minutes.

This Presto® indoor electric turkey fryer features a **motorized rotisserie** that continually rotates the turkey in and out of the oil for perfect results using only 4 quarts of oil. Fry up to a 15-pound turkey (frozen "tag" weight) in about 4 minutes per pound with this innovative frying method. Stainless steel housing.

- Uses one-third the oil of traditional electric turkey fryers and one-sixth the oil of many outdoor fryers.
- Adjustable thermostat.
- Spatter-shield cover.
- 1800-watt immersion element assures quick preheating and fast oil temperature recovery.
- Indicator lights show when fryer is plugged in and when oil is ready for frying.
- Heating element and enameled pot are removable for cleaning.

ProFry™ electric rotisserie Turkey Fryer

Oil capacity: 5 liters (5.3 quarts)

120 volts AC, 1800 watts

Stock No. 05487

Basket replaces rotisserie for deep frying fish, french fries, and chicken.

Boils and steams foods too! Great for vegetables and seafood.

► Cool-Touch Exterior ◀

CoolDaddy® cool-touch deep fryers fry up to 6 cups of food and offer a cool-touch exterior. An exterior handle enables you to lower food into hot oil with the cover closed to prevent spattering. The cover also locks in place as an added measure for preventing spatters and reducing odor.

- Adjustable thermostat.
- Large viewing window to monitor frying.
- Replaceable charcoal filter helps to absorb frying odors; replaces easily.
- Removable pot for quick and easy cleaning.
- Available in black or white.

**Just fill the reservoir with hot water from a tea kettle
or heat the filled reservoir in a microwave.**

MyJo® single cup coffee maker
Stock No. 02835

MyJo® lets you enjoy the convenience of a single cup coffee maker without the high cost. Its compact design lets you **take it anywhere**—home, work, school, travel, or camping. Use your favorite single serve packs of coffee, tea, and hot cocoa. Place the assembled MyJo® coffee maker on top of your coffee mug, then pump to brew. The cover with pump compresses air inside the reservoir to push water through the refillable or single serve pack.

- Water reservoir detaches from the base for filling and heating water.
- Brews a 6-, 8-, or 10-ounce serving.
- Bonus refillable MyJo® cup lets you brew your favorite ground coffee too!
- Works with most travel mugs and coffee cups.
- Slip- and heat-resistant silicone grip.
- To clean, toss the single serve pack and rinse the base.

Insert single serve pack.

Or, use the refillable MyJo® cup with your ground coffee.

Pump to brew.

► Faster than a microwave ◀

The whistling electric tea kettle is great for tea, instant coffee, hot chocolate, gelatin desserts, hot cereals, instant soups and more. Flip-up stainless steel lid makes filling easy and directs steam away when pouring. Anodized interior base resists mineral buildup.

- Boil up to a full quart of water faster than a microwave!
- Built-in whistle indicates when water is boiling.
- Automatic shut-off if kettle boils dry.

Whistling Electric Tea Kettle

Water capacity: 1 quart (.95 liter)
120 volts AC, 750 watts

Cooking surface: 13¾" x 13½" approx.
120 volts AC, 1200 watts
Stock No. 07071 (shown with meat)

Tilt-n-Fold™ griddles offer convenience and versatility for breakfast, lunch, and dinner, as well as simple, compact storage. They easily adjust from a level nonstick cooking surface for eggs and pancakes to a tilted surface for draining meats. For compact storage, fold in the legs and the drip tray locks in place. Griddle fits in most standard 18-inch cabinets.

- Flip-down levers tilt the grilling surface; legs fold in for compact storage.
- Control Master® heat control automatically maintains desired temperature.
- Slide-out drip tray removes for quick cleanups.
- Fully immersible with the heat control removed.

Removable handles

These extra-large electric griddles will make enough food for the entire family and still store neatly in the kitchen cabinet. Removable handles enable easy cleaning and compact storage. Simply open the latch clips to detach the handles from the base. With the handles removed, the base stores efficiently in most standard 18-inch kitchen cabinets.

- Premium textured cooking surface that provides enhanced nonstick performance for stick-free cooking and easier cleaning.
- Control Master® heat control maintains the desired cooking temperature.
- Fully immersible with the heat control removed.
- Slide-out drip tray removes for easy cleaning.
