## Stainless Steel Pizza Oven

[www.GoPresto.com](http://www.GoPresto.com)

**The perfect way to bake your favorite frozen pizza—regular or rising crust.**

**Luxurious stainless steel exterior.**

**Individually controlled upper and lower heating elements.**

- Great for baking 7- to 12-inch frozen pizzas.
- Individually controlled upper and lower heating elements bake pizza from both sides—choose upper, lower, or dual setting.
- Timer alerts user and turns heating elements off at the end of the selected time. Signal light illuminates when the oven is heating.
- Contemporary stainless steel design compliments any kitchen.

● Baking rack removes completely for easy cleaning. Hinged crumb tray on underside of oven flips open to remove crumbs.

● The baking rack's cool-touch handle neatly folds in when not in use to save counter space.
