

PRESTO®

Stainless Steel
Digital ProFry™
immersion element deep fryer

www.GoPresto.com

Professional-style deep fryer in a convenient at-home size.

1800-watt immersion element for fast heating.

Digital control and display.

- Oblong-shaped basket with nine-cup food capacity is ideal for frying large pieces of fish or chicken.
- 1800-watt immersion element provides fast oil temperature recovery.
- Heating element and enameled pot are removable for easy cleaning.
- Adjustable thermostat and countdown timer.
- Signal lights indicate when oil is heating and when it is ready for frying.

● Cover with filter acts as a spatter shield when lowering food into hot oil.

● Steams and boils too!
Great for vegetables and seafood.
