6-quart Multi-use Programmable Pressure Cooker Plus

SLOW COOKER • RICE COOKER • STEAMER • AND MORE

Multi-function cooker with 19 programmed settings.

Senses the actual temperature inside the pot for precise cooking. No altitude adjustments are needed.

Digital display and control knob make setting easy. No complicated buttons.

Innovative technology senses actual temperature to maintain proper pressure.

Select programmed settings on digital display.

Removable nonstick pot for easy cleaning. Dishwasher safe.

Easy to set! Large digital display and control knob let you easily scroll through the programmed options as they are displayed on the LED screen.

Just set and the rest is automatic! Pre-programmed for easy pressure cooking. Automatically maintains the proper temperature while cooking then reduces the pressure and switches to keep warm when cooking time is complete.

Quick release valve for fast pressure reduction. Nine built-in safety features including cover locking system.

Black stainless steel exterior. Includes rack for cooking multiple foods plus a comprehensive instruction/recipe book.
