Pizzazz® Plus

rotating pizza oven

- Bakes your favorite pizza to perfection—fresh or frozen, thin or rising crust.
- The fast and easy way to prepare your favorite convenience foods.
- Top and bottom heating elements bake food from both sides.

Makes pizza and more!

Prepares frozen chicken wings and nuggets, jalapeño poppers, pizza rolls, fish fillets, egg rolls, grilled cheese, even cookies from refrigerated dough.

Rotating tray turns continuously to assure even baking.

Top and bottom heating elements bake from both sides for perfect results every time.

Separately controlled heating elements make toppings as bubbly and crusts as crispy as you like.

- **Bakes your favorite pizza.** Great for 7- to 12-inch frozen, homemade, take-and-bake, or deli pizzas.
- **Freezer to perfect in minutes.** While ordinary ovens are heating, you're eating! And it doesn't heat up the kitchen so you can save as much as 60% in energy compared to conventional ovens.
- **Timer turns heating elements off** at the end of cooking time and signals that your food is ready.
- **Removable nonstick baking pan** assures easy cleaning and compact storage.

120 volts AC, 1235 watts
