rotating design
Flips 180°

Pour in your favorite batter mix. Recipes included.

Close cover, flip, bake, and serve.

Built-in retractable cord storage.

Waffle maker flips 180° to evenly spread batter. Bakes Belgian waffles that are crispy outside and fluffy and tender inside.

Extra-thick grid makes a 7-inch diameter waffle that can be divided into four easy-to-cut sections.

Countdown timer with LED digital display signals when baking time is up.

Ceramic nonstick interior wipes clean.

Dual-function base with cool-touch handles enables convenient rotation. Latch locks the waffle maker in a vertical position for compact storage.

120 volts AC, 1100 watts
