Tilt'nDrain™
BigGriddle®
cool-touch griddle

AMERICA'S
 FIVE-STAR BRAND
 ★★★★★

- Huge cooking surface cooks up to 50% more food than other jumbo griddles—as many as 12 slices of french toast at one time.
- Tilt'nDrain™ feature adjusts from a level grilling surface for pancakes to a tilted draining surface for meats.

Slide-out drip tray empties easily.

- **Tilt'nDrain™ feature** lets you adjust the grilling surface from level to a tilted surface, which is ideal for draining meats as they cook. The grilling surface tilts by simply pulling the handles outward. Push the handles back in to return to a level surface.
- **Nonstick cooking surface** with built-in backstop ledge for stick-free cooking and easy food handling.
- **Control Master® heat control** automatically maintains the desired cooking temperature.
- **Fully immersible** with the heat control removed.
